- ✓ воспитывать умение действовать сообща для выполнения общего задания.

**Оборудование:** карта сокровищ; бумага красного, синего и зеленого цвета; конфеты для приза; иллюстрации для оформления станций.

### Ход мероприятия

#### I. Организационный момент

Good afternoon. I'm glad to see you all here.

#### II. Основная часть

##### 1. Сообщение темы и целей мероприятия

Guess the riddle:

What has a forest but no trees, cities but no people and rivers but no water?

Right, it's a map. But look at this map. Is it a usual map? So, today we are going to look for treasure. There are special stations all over our gymnasium. At every station you can see a student of the 11<sup>th</sup> form. They will give you instructions, check your answers and give you points for the correct ones. You will have to do some tasks. After completing the task, you will get a riddle where to find the next station. You will get points for every task. The fastest team with the most points will win.

##### 2. Выбор названия команд

You have already been divided into teams and you are to name them (pupils suggest names of their teams and the teacher writes them on the classboard).

##### 3. Выбор маршрута

Here is your first task. Correct the mistakes

1. More than 20 million people live in Belarus.
2. Belarus is bigger than Russia.
3. The Nile is long than the Dnepr.
4. The USA is in South America.
5. Belarus lies between Russia and France.
6. Kangaroos live in the Australia.
7. Blue whales are dangerous animals.
8. Everest is high mountain in the world.
9. England are the biggest part of the UK.
10. Belarus is famous at beautiful lakes and thick forests.

Answer key
