A winter landscape with snow-covered evergreen trees under a blue sky with falling snow. The scene is serene and cold, with a clear blue sky and a thick layer of snow on the ground and trees. The falling snow is captured as soft, out-of-focus white circles, creating a magical atmosphere. The trees are heavily laden with snow, their branches drooping under the weight. The overall color palette is dominated by whites, blues, and greys, with a touch of green from the evergreens.
