6. Reading and speaking

Let's check up your home task. At home you should write 5–7 questions about your classmate's room using there's/there are.

P1: Is there a sofa in your room? P2: Yes, there is., etc.

While you are asking your questions, Masha and Liza are doing the task on grammar.

(Write in **There's** or **There are:**

6. \_\_\_\_\_ a bathroom in the house.
7. \_\_\_\_\_ a living-room and a kitchen downstairs.
8. \_\_\_\_\_ two puppies in the bathroom.
9. \_\_\_\_\_ beautiful trees in the garden.
10. \_\_\_\_\_ four chairs in the living-room.

Write in **Is** or **Are:**

6. \_\_\_\_\_ there a sofa in the room?
7. \_\_\_\_\_ there four chairs near the table?
8. \_\_\_\_\_ there two lamps in the living-room?
9. \_\_\_\_\_ there a wardrobe?
10. \_\_\_\_\_ there a carpet on the floor?)

I like your small dialogues. You've worked brilliant!

Look at the screen and watch this small video with the description of the room. (<http://english-study-cafe.ru/index.php/anglijskij-detyam/video-uroki/180-video-uroki/951-nash-sajt-na-youtube#room>)

Do you like the boy's room? Where are his shorts? Is there a computer on the desk? I'd like you try to make the video about your room and bring it for the next lesson. You should do it optional.

We see the video about boy's room and now let's read about Liza's room. Before reading you should write in missing words. You have texts on your desks, work in pairs and write in missing words in this text. Read aloud

**Fill in the gaps with the words given below**

I've got a new house. It's nice and big. There's a big \_\_\_\_\_. There are a lot of trees and flowers here. There are two \_\_\_\_\_, a living-room, a bathroom and a kitchen. My favorite room in the \_\_\_\_\_ is my bedroom. I've got a \_\_\_\_\_, where I can sleep. I've got a table and a chair. I've got a beautiful \_\_\_\_\_ on the floor. I've got a \_\_\_\_\_ with interesting books there. I've got a computer, but I haven't got a \_\_\_\_\_. I love my room my room very much.

7. Reflexion

I'll give you your posters and pictures with your rooms and you should describe them. This text will help you to make up your own stories about your rooms.

You should give marks each other and me. You see the table on your desks, here you should circle the appropriate mark.

You've worked hard at the lesson, I like your work and marks for the lesson are....

Your home task for the next lesson is ex.1–3 p. 27 in your Workbooks.

I want to end the lesson with the poem

There is no place like home

It may be big, it may be small

But wherever you go

Home's best place of all

It may be quiet or noisy

It may be dark or bright

But home is the place

Where everything is all right.

The lesson is over. Goodbye.
