Внеклассная работа при обучении иноязычной коммуникации

Одна из важнейших задач при обучении иноязычной коммуникации – преодоление психологического барьера и комплекса внутренней зажатости, создание таких условий, чтобы ребёнок захотел говорить не для получения хорошей отметки, а просто потому, что для него коммуникация стала потребностью. Вот почему уже на протяжении 10 лет в гимназия №3 г. Могилева учителя английского языка О. А. Каплан и А. В. Захарова ежегодно проводят открытые внеклассные мероприятия на иностранном языке.

Работая в тандеме, для создания позитивной, эмоциональной и лингвистической мотиваций они активно используют приёмы театрализации и драматизации отдельно в ходе урока или во внеурочной деятельности. Данный вид работы позволяет соединить урочную и внеурочную деятельность в единое целое, сделав их логичным, динамичным и последовательным продолжением друг друга. Участие в театрализованных постановках способствует формированию у учащихся положительных качеств, общечеловеческих ценностных ориентаций, таких как воля, трудолюбие, целеустремленность, коллективизм, готовность к общению, культура общения в разных видах взаимодействия в коллективе, критичное отношение к себе, уверенность в себе, инициативность.

Мы используем классические произведения английской детской литературы, фрагменты художественных и мультипликационных фильмов на английском языке. Сценарии внеклассных мероприятий мы пишем сами совместно с учащимися. Были проведены в гимназии театрализованные представления: «Репка» (III – IV классы), «Вечеринка у Тома Сойера» (V классы), «Снежная королева» (VI классы), «Рождество» (VII классы), «Алиса в стране чудес» и «Чаепитие у безумного шляпника» (VIII классы), «Спящая красавица» (IX классы), «День святого Валентина» (X классы).

Предлагаем вашему вниманию сценарий внеклассного мероприятия «**День святого Валентина**» для учащихся X классов.

“St. Valentine’s Day”

Песня “Roses are red” (дети)

Песня Венеры “I’m your Venus”

Венера – Love! What a beautiful word! People fall in love, look for love, find love and need love. Love is the world! Our world can’t exist without love. Love is life!

Песня Казановы

Венера - We can’t live without love!

Казанова – Ha, ha, ha... what are you talking about? There is no real love in the world.

Венера – How dare you say it to me? To me, The goddess of love and beauty!

Казанова – Sorry Venus, I haven’t seen you for ages.

Венера – Kidding again, do not spoil my favourite holiday!

Казанова - You mean St. Valentine’s Day? Who really celebrates it?

Венера – Why! A lot of people do!

Казанова – Well, it only proves that most people in the world are fools.

Венера – Hush, please! Will you just listen

История дня Святого Валентина

Every February, candies, flowers, and gifts are exchanged between loved ones, all in the name of St. Valentine

Some experts state that St. Valentine was a Roman priest and physician. He was put into prison by roman authorities for his teaching and was beheaded on February 14 in the third century A.D. According to the legend he performed a miracle – he cured the blindness of his jailer’s daughter. Before the execution, he wrote her a letter signed “From Your Valentine”, an expression that is still in use today.

Whatever the origin, Valentine's Day is celebrated in many parts of the world today and is a holiday for both young and old. This day became the date for exchanging love messages and St. Valentine became the patron saint of lovers. The date was marked by sending cards, poems and simple gifts such as toys and flowers.

Another tradition of St. Valentine’s Day is making special cakes.

The heart is a symbol of love, and it is also a symbol of Valentine’s Day.

The rose was the flower of Venus, the Roman goddess of love. Red is a color that stands for strong feelings. This is why the red rose is a flower of love.

Ribbons go back to the days when ladies gave ribbons to their favorite knights when they went to war.

Years ago, when a man proposed marriage to a woman, he “asked for her hand”. The hand became a symbol of marriage and love. Soon gloves also became a symbol of love.

In some countries, men and women exchange rings when they become engaged or married.

One of the most famous valentine symbol is Cupid. He is a son of Venus, goddess of love. He could cause people to fall in love by piercing them with one of his magic arrows.

Angel 1: Hi, Cupy!

Angel 2: Cupe! How are you?

Angel 1: I’m fine! And you?

Angel 2: Today’s our day. What can be better?

Angel 1: Let’s start!

Angel 2: How impatient you are! Who shall we start with?

Angel 1: Do you see that couple over there?

Angel 2: Yes, I guess they don’t look happy enough.

Angel 1: Get your arrow ready! Let’s do our work! (Звук разбитого стекла) ... Oops (убегают)

Казанова – Here's a special valentine
With lots of love for you,
And since you're very special
Here are hugs and kisses, too!

Венера – Oh, stop it...

Казанова – Believe me I'm an expert in this area, all girls need is not love but clothing, jewellery, power, glamour, fame and money.

Венера - No matter what the girl says, she's still looking for love...

Казанова –No, no, no ... All the world's history proves that people loved each other for anything but love ... For example, Caesar and Cleopatra

1. Caesar and Cleopatra –

Рассказчик -Our story begins a long time ago in Alexandria in Egypt at the palace of the queen of queens the legendary and delicate Cleopatra ...

-Enough

-I'm just saying that culturally Egypt could do better ... there were good times of course but now...Egyptians are decadent. I can't even remember the nice sides to this country.

-It's nice sides

-Yes

-Until further notice oh Caesar the romans didn't build the great pyramids

-Those pointy things?

-And the sphinx ? And the tower of pharos? What are they? Knick knacks?

-That's old news yesterday or today my people are superior

-Your people? You're from Greece

-I know better true Egyptians

-Enough I can show you o Caesar that my people are still brilliant

-By painting frontal portrait? He he he

-No by building a palace

-I've got everything I need in Rome.

-You'll get one here too so when you'll seek a nice country side you'll have somewhere to stay but it'll be vaster and more luxurious than any other palace

-Bigger than my Caesar palace I'd like to see that

-You will

-Rome wasn't built in one day. When will I see that wonder? Three centuries from now?

-Three months

-Three months?

-Within three months you'll have your palace.

-It'll never be finished in time. But fine I accept the challenge if you make it I'll publicly admit that your people are still brilliant but I'm skeptical. See you in three months

-He really gets on my nerves but I feel good

Танец Клеопатры и Цезаря.

Венера – Well, things happen but I know another story - Romeo and Juliet

2. Romeo and Juliet

Romeo – See how she leans her cheek upon her hand!

O that I were a glove upon that hand,

That I might touch that cheek!

Juliet – Ay, me!

Romeo (aside) She speaks.

O speak again, bright angel ...

Juliet – O Romeo, Romeo, where are you Romeo?

Romeo – (aside) Shall I hear more, or shall I speak at this?

Juliet – What's in a name? That which we call a rose

By any other name would smell as sweet.

So Romeo would, were he not Romeo called,
Retain that dear perfection which he owes
Without that title. Romeo doff thy name,
And for thy name, which is no part of thee,
Take all myself.

Romeo – I take you at your word:

Call me but love,
I never will be Romeo.
By a name

I know not how to tell you who I am.

Juliet – My ears have not yet drunk a hundred words
Of your tongue's uttering, yet I know the sound.
Are you not Romeo, and a Montague?

Romeo – Neither, fair maid, if either you dislike.

Juliet – The orchard walls are high, and hard to climb.

Romeo – With love's light wings

I overperch these walls,
For stony limits cannot hold my love out,
And what love can do, that dares love attempt:
Your kinsmen are no stop to me.

Juliet – Do you love me? I know you will say “yes”;
And I will take your word ...

Romeo – Lady, by yonder blessed moon I vow,

Juliet – O swear not by moon, inconstant moon,
That monthly changes in her circled orb,

Romeo – What shall I swear by?

Juliet – Do not swear at all...

Казанова – Think of their tragic end... All my stories have a happy ending

3. Uma Thurman and John Travolta – Everybody hands up! It's a robbery! Everybody be cool!

Calm down kids just kidding we came to take part in the most famous dance contest.

Шоумен - With us today this evening ... Young lady what's your name

- Mrs Mia Wallas

Шоумен - And how do you call that fellow over here?

- I never call him he comes himself.

Шоумен - Ok let's see what you can do. Take a way.

Венера – So, that was your happy end story... Well, it's happy for them but not for us.

Казанова - Why not?

Венера –Can you tell me the time?

Казанова - Oh no my watch

Венера –Don't get upset dear. Let's go back to the middle ages. People fought for love, took parts in knight's tournaments to honour their fair lady...

Казанова - I'm not so sure

Венера –look at the stage

4. Немецкая сценка по Шиллеру.

Казанова – I'll never believe that it was all for love, I'm sure they risked their lives to get glory. Things do not change in the course of time. Nowadays a lot of people are together because they want to become famous and get more money ... David and Victoria Beckham

5. David and Victoria Beckham + Spice Girls.

Танец

Венера – Well, I can't say they are together for money, they have 3 kids and ... years of marriage and they look happy, indeed.

Казанова – Are you crazy? Kids are horrible, they spoil everything,
Венера – And I know one couple, they have ... kids and still love each other.
Казанова – And who are they?

Венера – Angelina Jolie and Brad Pitt

7. Tom Sawyer and Becky Thatcher

Tom – Say, Becky, have you ever been engaged?

Becky – What's that?

Tom – Why, engaged to be married.

Becky – No.

Tom – Would you like to?

Becky – I reckon so, I don't know. What is it like?

Tom – Like? Why, it isn't like anything. You only just tell a boy you won't ever have anybody but him? Ever, ever, ever, and then you kiss, and that's all. Anybody can do it.

Becky – Kiss? What do you kiss for?

Tom – Why, well, they always do that.

Becky – Everybody?

Tom – Why, why, everybody that's in love with each other. (что-то шепчет ей на ухо) Now you whisper it to me. Just the same.

Becky – I love you. (Tom kisses Becky)

Tom – Now it's all done, Becky. And always after this, you know, you aren't ever to love anybody but me, and you aren't ever to marry anybody but me, never, never and forever. Will you?

Becky – No, I'll never love anybody but you.

Tom – And you choose me and I choose you at parties, because that's the way you do when you're engaged.

Becky – Oh, it's so nice. I never heard of it before.

Tom – Oh, it's ever so jolly! Why, me and Amy Lawrence ...

Becky - Oh, Tom! Then I'm not the first you've ever been engaged to!

Казанова – Unfortunately, this feeling is not always mutual, no matter how strong it is, your love makes people suffer

8. Cinderella and the Prince

Танец Золушки

-Не пугайтесь

-А я нисколько не испугалась. Я от сегодняшнего вечера ждала чудес. И вот они. Но все-таки где же мы?

-Мы с вами перенеслись в волшебную страну.

-А где же остальные?

-Каждый там, где ему приятно. Волшебная страна велика. Но мы здесь ненадолго. Человек может попасть сюда всего лишь на 9 минут и 10 секунд – ни секундой больше.

-Как жалко, правда?

-Да.

-Вам грустно?

-Я не знаю. Можно вам задать один вопрос?

-Можно.

-Один мой друг – тоже принц тоже довольно смелый, решительный – тоже встретил на балу девушку, которая ему так понравилась, что он совершенно растерялся. Что бы вы ему посоветовали сделать?

-А может быть, может быть, принцу только показалось, что эта девушка ему так понравилась?

-Нет, он твердо знает, что ничего подобного с ним до сих пор не было и не будет.

Танец Золушки и Принца

Казанова – O.K. maybe you're right and love did exist in the past but can you prove that love does exist right here, right now on this stage? Can you?

Венера – Of course, I can. But Misha will do it better.

Конкурс «5 поводов влюбиться»

Венера – So you see that people have always loved and will always love like ...

Казанова – Like fools?

Венера – No ... like a love song!

Песня - Selena Gomez

It's been said and done
Every beautiful thought's been already sung
And I guess right now here's another one
So your melody will play on and on, with the best we own
You are beautiful, like a dream come alive, incredible
A center full of miracle, lyrical
You've saved my life again
And I want you to know baby
I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat
I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat
Cursing me, boy you played through my mind like a symphony
There's no way to describe what you do to me
You just do to me, what you do
And it feels like I've been rescued
I've been set free
I am hypnotized by your destiny
You are magical, lyrical, beautiful
You are... I want you to know baby
I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep it in re-pe-pe-peat
